Sir:

This is a Continuation Application under 37 C.F.R. §1.53(b) of pending prior Application No. 09/256,519, filed February 23, 1999.

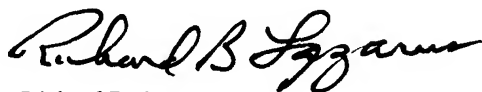

1. Enclosed are:
 - a) the Specification (27 pages), Claims (13 pages) and Abstract (1 page); and
 - b) Formal Drawings (3 sheets/5 Figures).
2. The Specification and Drawings filed herewith contain no matter that would be considered new matter in the prior application and incorporates some or all of the amendments made in the prior application and a cross-reference to the prior application. The present claims are directed to the subject matter of Figure 5.
3. Cancel in this application original Claims 2 - 31 of the prior application without prejudice or disclaimer of the subject matter therein and subject to the right to present that subject matter in a continuation application and before calculating the filing fee.
4. New Formal Drawings are enclosed.
5. Address all future communications to:
